Good morning Recorder Stevens,

I wanted to inform you that the review of the Election Security Grant has been finalized and wanted to congratulate you on the upcoming award. ADOA has conducted its review and has determined that the Cochise County Recorder will be granted the full \$1 million dollars for the program.

In the next few days, you will receive a drafted Grant Agreement with a performance period of 10/1/2022 - 3/30/2023. Once the drafted agreement has been reviewed, we can move forward with finalizing the agreement and will execute the agreement in eCivis.

Please let me know if you have any questions.

Thank you,

--
